**CITY OF YELLOWKNIFE  
BY-LAW NO. 4376**

A BY-LAW of the Council of the Municipal Corporation of the City of Yellowknife in the Northwest Territories, to provide for the management of solid waste in the City of Yellowknife, which includes the collection, transportation and disposal of solid waste, as per the authorities set out in the *Cities, Towns and Villages Act* S.N.W.T. 2003, c. 22 ("Cities, Towns and Villages Act"), and in the interests of the health, safety, and welfare of the residents of this City.

**WHEREAS** pursuant to section 58 of the *Cities, Towns and Villages Act*, a municipal corporation may, for a municipal purpose, establish, deliver and operate services, public utilities and facilities and in doing so shall, in a by-law:

- (a) set the terms and conditions applicable to users,
- (b) set reasonable rates or amounts of deposits, fees and other charges,
- (c) provide for charging and collecting deposits, fees and other charges,
- (d) provide criteria for when service will be discontinued or refused, and
- (e) provide for a right of entry onto private property to determine compliance with terms and conditions of use;

**AND WHEREAS**, pursuant to section 70 of the *Cities, Towns and Villages Act*, a council may make by-laws for municipal purposes respecting public utilities, programs, services, infrastructure and facilities provided or operated by, or on behalf of, the municipal corporation and the enforcement of by-laws;

**AND WHEREAS**, pursuant to section 72 of the *Cities, Towns and Villages Act*, a council may in a by-law, among other things:

- (a) regulate or prohibit activities,
- (b) deal with any activity or thing in different ways, divide each of them into classes and deal with each class in different ways,
- (c) provide for a system of licences, permits or approvals including any or all of the matters listed therein, and
- (d) provide remedies for the contravention of a by-law;

**AND WHEREAS**, pursuant to section 90 of the Cities, Towns and Villages Act, a council may, in a by-law respecting a public utility, provide for the prohibition or regulation of the discharge of substances and liquids into a waste management system;

**AND WHEREAS**, pursuant to s. 10 of the Environmental Protection Act, R.S.N.W.T. 1988, c. E-7 ("Environmental Protection Act"), a municipal corporation may, by by-law prohibit or regulate the disposal of litter;

**AND WHEREAS** the City of Yellowknife deems it desirable and in the public interest to establish, operate, maintain and levy fees for a solid waste management system in the City of Yellowknife;

**NOW, THEREFORE**, THE COUNCIL OF THE MUNICIPAL CORPORATION OF THE CITY OF YELLOWKNIFE, in regular session duly assembled, enacts as follows:

**SHORT TITLE**

1. This By-law may be cited as the "Solid Waste Management By-law".

**PART 1 - INTERPRETATION**

DEFINITIONS

2. (1) In this By-law the following terms, phrases and their derivatives shall have the meanings given herein. If or when they are not consistent with the context, words in the present tense shall include the future, words in the plural context include the singular, and words in the singular number include the plural. The word "shall" is always mandatory and not merely directory. Words not defined shall be interpreted in accordance with the *Interpretation Act*, R.S.N.W.T. 1988, c. I-8 and the *Cities, Towns and Villages Act*, S.N.W.T. 2003, c. 22 and if not defined in either of these Acts, they are to be given their common and ordinary meaning.

- "*Animal Waste*" means all forms of *waste* from animals or the treatment of animals, and includes animal or human excrement, but does not include animal carcasses or parts, or disposable diapers or undergarments;

RULES FOR INTERPRETATION

3. (1) This By-law includes the Schedules annexed hereto, and the Schedules form part of this By-law.
- (2) The marginal notes and headings in this By-law are for reference purposes only.
- (3) Any Act, Regulation or By-law that is referred to in this By-law shall be interpreted as including any successor Act, Regulation or By-law.
- (4) Each provision of this By-law is independent of all other provisions. If a Court of competent jurisdiction declares any provision invalid for any reason, all other provisions of this By-law shall remain valid and enforceable, and the By-law shall be interpreted as such.
- (5) Nothing in this By-law shall be deemed to nullify, amend, supercede or repeal any provisions of the by-law(s) relating to fires or the provision of emergency services, but in the event of any conflict between such by-laws and this By-law, the provisions of this By-law shall be modified only to the extent necessary to give effect to the fire or other emergency response by-law(s); however the more stringent provisions shall be followed in any event.

**PART 2 - ADMINISTRATION**

AUTHORITY OF SENIOR ADMINISTRATIVE OFFICER

4. (1) The *Senior Administrative Officer* is authorized, at his or her sole discretion, to:

- (a) require, in order to maintain the integrity of a *solid waste site* and to otherwise determine compliance with this By-law, pre-testing to be done on, or sampling to be done of, any *solid waste* placed for collection or otherwise presented or proposed for disposal to confirm the acceptability of such *solid waste* and/or to determine its composition;
- (b) deny the use of a *solid waste site* and/or collection services, on either a temporary or permanent basis, to any person who violates any of the terms of this By-law, including failing to pay the prescribed fees set out in Schedules A & B;
- (c) evaluate and certify the acceptability for disposal of any *solid waste* not specifically dealt with in this By-law, but consistent with this By-law, upon receiving a written request by a person proposing to use the *Solid Waste Site*;
- (d) specify an acceptable time schedule, and pre-disposal conditions for the delivery of *solid waste* that might otherwise cause undue operational difficulties at the *Solid Waste Site*;
- (e) reject, in order to maintain the integrity of a *solid waste site*, any *solid waste*, for any reason including, but not limited to, non-segregation of *solid waste* when such segregation is required, volume, source, contents, disposal capability of a *solid waste site* or prevailing weather;
- (f) designate materials as *recyclables*, or as *special waste*;
- (g) limit, restrict or make conditional back-yard composting when health or wildlife concerns arise;
- (h) designate a premise having five (5) or more residential units as a *single family unit* for the purposes of collection, and to designate a premise having four (4) or fewer residential units as a *multi-family unit premise* for the purposes of the orderly collection of *household waste* including the application of the *solid waste levy*;

- (i) designate a *premise* falling within the definition of a *residential premise* as a *commercial premise*, and a *commercial premise* as a *residential premise*, for the purpose of the orderly collection of *solid waste* in the *City*;
- (j) grant approvals and permissions as set out in this By-law;
- (k) determine the time and frequency of solid waste collection;
- (l) establish specific dates from time to time when a *householder* may place specifically designated types of *special waste* for collection in a *garbage receptacle* or otherwise;
- (m) designate areas at a *solid waste site* for the placement and subsequent removal of *salvage* items, in addition to designating areas at a *solid waste site* as restricted areas that are not to be assessed by unauthorized *persons*; and
- (n) make any rules or regulations that he or she may deem necessary concerning the safe use and efficient operation of a *solid waste site* and the general management of *solid waste* in the *City* that do not otherwise contradict the provisions of this By-law.

AUTHORITY OF AN INSPECTOR

5. (1) An *Inspector* may inspect any place or thing where *solid waste* is reasonably believed to be present, including *garbage receptacles* and *containers*, and may initiate such remedial action, as deemed necessary in order to achieve compliance with the provisions of this By-law.
- (2) An *Inspector* may issue a written order, if he or she finds that a *person* is contravening a provision of this By-law, directing the person to take any action or measure necessary to remedy the contravention and to prevent a reoccurrence of it.

- (3) Where this By-law authorizes or requires any thing to be inspected, remedied, or done by the *City*, an *Inspector* may, after giving reasonable notice to the *householder* or *owner* of the land, vehicle or structure affected:
- (a) enter the land, vehicle or structure at any reasonable time, and carry out the inspection, remedy, enforcement or action authorized or required by this By-law;
  - (b) require anything to be produced to assist in the inspection, remedy, enforcement or action; and
  - (c) make copies of anything related to the inspection, remedy, enforcement or action.
- (4) The *Inspector* shall, on request, display or produce identification showing that he or she is authorized to make entry.
- (5) The *Inspector* authorized to perform a task under subsection (3) need not give reasonable notice and may enter at any hour and perform a task referred to in sub-section (3) without the consent of the *householder* or *owner*, if the *Inspector* or *Council* is of the opinion that:
- (a) there is imminent danger to public health or safety; or
  - (b) the action is warranted by extraordinary circumstances.

#### CHARGING BACK REMEDIAL COSTS

6. (1) Where the *householder* or *owner* of any building or *premises* who has been ordered by an *Inspector* to remedy any condition that is contrary to this By-law, and fails to comply with the order within the time specified therein, the *City* may remedy the breach and the *householder* or *owner* shall be liable for the costs associated with the correction thereof.

- (2) Further to subsection (1), all expenses and costs incurred by the City in remedying the condition are a debt owing to the City by the person that contravened this By-law and may be recovered from the person in default by civil action for debt, or by charging it against the real property of which the person is the assessed owner in the same manner as arrears of property taxes under the Property Assessment and Taxation Act; and lastly they shall be in addition to, and not a substitute for, any fines or penalties to which the person may be subject under this By-law.

#### APPEALS

7. (1) Any person served with an order made pursuant to section 5 of this By-law, may appeal the decision to Council within fourteen (14) days of the date of such order and the decision of Council on such an appeal shall be final subject only to any applicable provision of the *Cities, Towns and Villages Act*.
- (2) An appeal made under sub-section (1) shall:
  - (a) be in writing, stating the reasons for the appeal;
  - (b) be delivered to the City Clerk; and
  - (c) be heard by Council at a regular or special Council meeting within twenty-one (21) days from the date it is received.
- (3) Where Council or the Senior Administrative Officer is of the opinion that there is imminent danger to public health or safety, they may:
  - (a) specify a shorter appeal period, or
  - (b) initiate action prior to the appeal being heard by Council.
- (4) When hearing an appeal, Council may dismiss, uphold or vary the decision of the Inspector.
- (5) Subject to subsection (3), no action on an order shall be taken until:

- (a) the period for commencing an appeal has expired and no appeal has been made, or
- (b) *Council* has dismissed an appeal.

AUTHORITY OF A SOLID WASTE CONTRACTOR

8. (1) The *Solid Waste Contractor*, or its employees or agents, has the authority to:
- (a) determine, for the purposes of collection:
    - (i) whether a *garbage receptacle* meets the criteria established in section 10(11), and
    - (ii) whether the *garbage receptacle limit* has been exceeded;
  - (b) inspect waste from *residential* and *commercial premises* placed for collection to determine if it contains *special waste*; and
  - (c) refuse to collect *solid waste* that:
    - (i) it reasonably believes to be or contain *special waste*, or
    - (ii) is *household waste* set out for collection in a *garbage receptacle* or a *garbage bag* that is required to have a *tag* attached to it and does not.

**PART 3 - HOUSEHOLD AND COMMERCIAL WASTE COLLECTION,  
STORAGE, DISPOSAL & FEES**

HOUSEHOLD AND COMMERCIAL WASTE COLLECTION

**Contracting**

9. (1) The *City* may contract with any *person* and may grant an exclusive or non-exclusive right to any *person* or *persons* for the collection, removal, disposal and recycling of all or a portion of its *solid waste* on any terms and conditions that it deems to be proper and expedient, and that *person* or *persons* shall be the *City's Solid Waste Contractor(s)*.

**Private Collection Contracts**

- (2) Subject to subsection (3) any *person* may, at their own expense, choose to deliver and dispose of their own *household waste* or *commercial waste* at a *solid waste site* during normal hours of operation; however doing so does not exempt that *person* from paying the *solid waste levy* set out in Schedule "B" where applicable and/or other applicable tipping or other fees set out in Schedule "A" and Schedule "B".
- (3) No *person* other than the *Solid Waste Contractor* shall directly or indirectly remove, collect and/or dispose of *household waste* or *commercial waste* within the *City* on behalf of any owner of a *multi-family unit* or *commercial premise* for compensation unless approved by the *Senior Administrative Officer*.
- (4) Nothing in this By-law prohibits any *person* from collecting and disposing of *special waste* or *recyclables* for compensation.

**General Provisions Applicable to Household and Commercial Waste**

- (5) No *person* shall dispose of or place for collection *household* or *commercial waste* that has not been strained to eliminate excess liquids, and such strained *household* or *commercial waste* shall be placed in a *garbage bag* that completely encloses the contents and prevents any leakage or spillage.
- (6) On collection days and prior to collection, every *garbage receptacle* or *container* shall be made readily accessible from, and immediately adjacent to the lane adjoining the property from which it is to be collected and in the absence of such a lane, it shall be made readily accessible from within three (3) meters of the street adjoining such property.
- (7) On collection days every *garbage receptacle* or *container* shall be kept at either ground level or at a height of not more than one (1) meter above ground level.
- (8) Every *person* shall, immediately upon discovery or otherwise within twelve (12) hours of it occurring, clean-up and dispose of any *household* or *commercial waste* or other *solid waste* scattered or spilled by animals or whatever other means.

- (9) The *City* will not be responsible for damage to *garbage receptacles* or *containers*.
- (10) The *City* will not be responsible for any damage to roads or infrastructure on a private site resulting from the operation of solid waste collection vehicles during *solid waste* collection activity at that private site.
- (11) Where *household waste* is placed in a receptacle other than a *garbage receptacle* or a *garbage bag*, the receptacle is deemed to be *solid waste* and may be collected as such.

**Provisions specific to Household Waste from Single Family Unit Premises**

- (12) (a) Effective January 1, 2006 a *tag* purchased for the fee prescribed in Schedule "B" shall be affixed to residential *garbage receptacles* or *garbage bags* placed by a *householder* for collection by the *Solid Waste Contractor* in excess of the *garbage receptacle limit*.
- (b) Any residential *garbage receptacles* and/or *garbage bags* placed by a *householder* for collection in a *garbage receptacle* in excess of the *garbage receptacle limit* will remain uncollected until a *tag* is placed on it.
- (13) No *person* shall place a portable *garbage receptacle* at any front yard or curbside collection location before 6:00 pm on the day prior to the scheduled collection day.
- (14) Every *person* who wishes to have their *household waste* collected shall place it for collection in the appropriate location no later than 7:00 a.m. on the scheduled collection day.
- (15) No *person* shall leave emptied portable *garbage receptacles*, or *solid waste* that has not been collected for any reason, at a front yard or curbside collection location later than noon of the day following collection.

**Provision specific to Household Waste from Multi-Family Unit Premises, and Commercial Waste from Commercial Premises**

- (16) All owners of multi-family unit premises and commercial premises shall ensure that adequate arrangements for the timely removal and disposal of those types of solid waste are maintained at all times.
- (17) All owners of multi-family unit premises and commercial premises shall ensure that collection occurs at least every two (2) weeks if food product comprises a portion of the household or commercial waste to be collected.

GARBAGE RECEPTACLES & CONTAINERS

- 10. (1) Every householder and owner shall provide, maintain and keep in good order, repair, safe and operable condition, sufficient garbage receptacles or containers for all household waste or commercial waste generated upon the premises owned or managed by them; and shall only deposit household waste or commercial waste in the garbage receptacles or containers respectively and not in any other place.
- (2) Every occupant of commercial premises or multi-family unit premises shall dispose of their commercial waste or household waste in the container provided by the owner for that purpose.
- (3) Every owner of commercial premises or multi-family unit residential premises shall provide sufficient containers for all household waste or commercial waste generated upon the premises owned or managed by them.
- (4) Recyclables may be disposed of in a bin approved for this use by the Senior Administrative Officer.
- (5) No person shall, directly or indirectly, place or permit any person to place the following types of restricted solid waste in their garbage receptacle or container, or in any other place except in accordance with this By-law:
  - (a) hot ashes or burning matter;
  - (b) waste liquids or unwrapped wet household or commercial waste;

- (c) sharp objects such as broken glass, nails, knives, metal or wood splinters;
  - (d) individual items, other than *construction waste* segregated in a container, that are longer than 1.2 metres (4 feet) in any dimension;
  - (e) *biomedical waste*;
  - (f) *special waste*;
  - (g) *general medical waste*, unless it is securely contained in a *garbage bag*; and
  - (h) *waste* that is otherwise unsafe for the *Solid Waste Contractor* to access or handle.
- (6) Notwithstanding section 10(1), a *householder* may place specifically designated types of *special waste* for collection when such an opportunity is advertised, subject to compliance with any conditions in the advertisement.
- (7) Every *garbage receptacle* and/or *container* shall be kept within the boundaries of the parcel of lands on which the premises that it is provided for are situated.
- (8) *Garbage receptacles* and *containers* shall be stored and maintained so as to not provide harborage for rodents or other animals in or near them. *Garbage receptacles* shall also be placed and kept in an upright condition so as to not be easily toppled and in such a manner that will prevent animals from breaking bags and/or scattering the contents.
- (9) Every *householder* and *owner* providing, maintaining or keeping a *garbage receptacle* or *container* required pursuant to section 10(1), shall provide a close-fitting and otherwise good and sufficient cover for such *garbage receptacle* or *container* that is capable of keeping out animals and insects and shall keep such cover secured over the opening except when it is being filled or emptied.
- (10) No *person* shall fill or permit to be filled, any *garbage receptacle* or *container* to the point where the lid or cover cannot be properly secured.

- (11) (a) Notwithstanding any other provisions of this By-law, a *garbage receptacle* shall be sufficiently strong to hold the weight of *household waste* contained therein without breaking, have handles for lifting, be constructed of sturdy water-tight material, be loaded to allow for easy and safe removal of the contents by the *Solid Waste Contractor*, be kept both clean and reasonably free of odour; and shall not exceed:
- i) 25 kilograms (55 pounds) in weight when full; and
  - (i) subject to subsection (b), a maximum volume of no more than 77 litres.
- (b) A *householder* or *owner* may use a *garbage receptacle* with a volume greater than 77 litres if the *household waste* in it is securely and completely packaged in tied 77 litre *garbage bags* and the *garbage bags* can be easily removed without lifting the *garbage receptacle*.
- (12) No *householder* or *owner* shall permit waste to unduly accumulate on their premises.
- (13) When any *garbage receptacle* or *container* has been condemned by an *Inspector* and written notice to that effect has been given to the *householder* or *owner*, the condemned *garbage receptacle* or *container* shall be removed and disposed of by the *householder* or *owner* and if this is not done by him or her, the *Solid Waste Contractor* may do so at the direction of the *Senior Administrative Officer* and any costs associated with the removal may be charged back against the *householder* or *owner* that failed to effect the removal in a manner consistent with section 6.

SPECIAL WASTE

**Segregation and Disposal**

11. (1) Every *person* shall segregate *special waste* by like type and dispose of it in accordance with the terms and provisions of this By-law, and pay the fees set out in Schedule "A" applicable to *special waste*.

**Yard Waste**

- (2) Every person generating yard waste shall either compost it on their premises or shall dispose of it at a solid waste site in the area designated for its disposal.

**Hazardous Waste**

- (3) No hazardous waste other than the types listed with specific tipping fees in Schedule "A" from commercial premises will be accepted at a solid waste site without the prior written permission of the Senior Administrative Officer.

**Biomedical Waste**

- (4) No biomedical waste will be accepted at the Solid Waste Site.

**Construction Waste**

- (5) Any person carrying out the construction, alteration or demolition of a property or premise shall:
  - (a) remove from any portion of the street and from any other public place, adjacent to such work, all earth, rock, or construction waste that have been deposited thereon;
  - (b) maintain sufficient garbage receptacles or other approved containers on the construction site, and deposit all construction waste into them; and
  - (c) prevent construction waste from blowing onto other property.
- (6) Construction waste materials shall be separated by like type, in order to be deposited in specific locations within the Solid Waste Site.
- (7) Construction waste, such as asbestos or other hazardous waste originating from construction sites shall only be disposed of in accordance with the provisions of this By-law.

**Animal Waste**

- (8) No animal waste will be accepted at the Solid Waste Site; and it shall be disposed of at the City facility designated for its disposal by the Senior Administrative Officer.

LITTER

12. (1) No *person* shall litter by depositing, disposing of, or leaving *solid waste* on *public lands* or on private lands within the *City*.
- (2) *Litter receptacles* shall only be used for the disposal of litter, and not *household waste, commercial waste, or special waste*.
- (3) No unauthorized *person* shall damage or remove a *litter receptacle*.
- (4) (a) Any *person* who directly or indirectly sponsors public events on *public lands* or waters shall:
- (i) provide *litter receptacles* within the event confines at the minimum ratio of one (1) - 77 litre capacity *litter receptacle* or an equivalent for every fifty (50) people in attendance;
  - (ii) have the contents of the *litter receptacles* removed and/or collected as often as required so as to comply with the provisions of this By-law, but in any event no less than once per day;
  - (iii) have all the *litter* within the site collected as soon as is practicable once the event has ended, but in any instance no longer than four (4) hours after the event has ended; and
  - (iv) contain and collect any and all litter both on the site and blowing off the site.
- (b) Failure to comply with subsection (4)(a) is an offence and in addition to any fine imposed may result in the offender being denied the opportunity of sponsoring a similar event in the future, which decision shall be made by the *Senior Administrative Officer*.

- (5) (a) The owner of:
- (i) a convenience store, a fast food restaurant, a drive-through restaurant, a school, or a gas station,
  - (ii) any retail outlets in excess of 5000 square feet, and
  - (iii) any other *commercial premises* that the *Senior Administrative Officer* has directed in writing to maintain *litter receptacles* on the basis that the activities on the *commercial premises* are likely to generate litter;
- shall ensure that there are sufficient *litter receptacles* on the *premises* and shall further ensure that they are:
- (i) maintained in good condition;
  - (ii) weighted or anchored so they cannot be inadvertently overturned;
  - (iii) of suitable size and at sufficient locations to discourage litter; and
  - (iv) emptied into a *container* when full.

RECYCLABLES AND RECYCLING DEPOTS

13. (1) An occupant may deposit *recyclables* in the designated collection areas at a *solid waste site* during the normal hours of operation. Alternatively, a *householder* may deposit recyclable materials at any time in designated *recycling depots* placed at various locations within the *City*.
- (2) No *person* other than an occupant of a *residential premise* may deposit *recyclables* in a designated *City recycling depot*. *Recyclables* from a *commercial premise* may be deposited at a *solid waste site* in a designated area other than a *recycling depot* upon payment of the applicable fee as set out in Schedule "A".
- (3) *Recyclables* that are deposited at a *recycling depot* shall be separated and disposed of as directed by the *Senior Administrative Officer*.

- (4) No *person* shall dispose of any materials in *recycling depots* other than those items for which the *recycling depot* is clearly identified.
- (5) No *person* shall enter or access a *recycling depot* or the designated area for *recyclables* at a *solid waste site* for an improper purpose including, but not limited to salvaging, scattering, searching through, or burning *recyclables* or other *solid waste*.

SOLID WASTE SITE

**Authority of Solid Waste Facility Attendants**

14. (1) The *solid waste facility attendants* that are present at a *solid waste site* at any time are deemed to be the designates of the *Senior Administrative Officer* for the purposes of the supervision and control of the *Solid Waste Site*, including conducting inspections and providing directions.
- (2) Every *person* utilizing a *solid waste site* shall obey all signs, posted regulations and directions of the *solid waste facility attendants*.
- (3) Every *person* seeking to enter the area of a *solid waste site* beyond the scale shall, upon request to do so by a *solid waste facility attendant*, declare the type or types of *solid waste* that constitute their load for disposal.
- (4) A *solid waste facility attendant* may inspect any vehicle and/or load arriving at a *solid waste site* for the purpose of ensuring compliance with the provisions of this By-law and such inspection can include automated radiation detection, visual and manual inspection, use of hand held test instruments and the taking of samples for the purpose of laboratory or other further inspection.
- (5) When a load is selected for inspection the vehicle operator shall either comply with the directions of a *solid waste facility attendant* or shall immediately remove the load from the *Solid Waste Site*.

- (6) A *solid waste facility attendant* may instruct a vehicle operator to deposit the load in a designated holding area, may request information regarding the nature and the source of the load, and may request that the vehicle operator sign a statement confirming the accuracy of the information given.
- (7) Where a *solid waste facility attendant* or an *Inspector* determines through inspection and testing that a load of solid waste is unsuitable for acceptance at the *Solid Waste Site*, he or she shall inform the vehicle operator or other appropriate *person* of the results and that *person* shall, as soon as it is practicable to do so, transport the load from a *solid waste site* to another *solid waste* processing site that is licensed and otherwise able to accept it.
- (8) If the *person* does not comply with the direction to remove and relocate the load as soon as is practicable, the *City* may arrange for the immediate transport and proper disposal of the load and to further assess a penalty pursuant to Part 5 of this By-law.
- (9) Where a load is determined by a *solid waste facility attendant* or an *Inspector* to be unsuitable for disposal at a *solid waste site* the *person* attempting to dispose of the load will be liable for all related costs incurred by the *City* including:
  - (a) inspection costs;
  - (b) laboratory analysis costs;
  - (c) hauling, disposal, and facility decontamination costs where applicable; and
  - (d) any other related costs.

**Non-payment of Fees**

- (10) The *City* may suspend acceptance of *solid waste* loads from any *person* with outstanding fees, charges or penalties.

**Segregation of Waste**

- (11) Every *person* accessing a *solid waste site* shall segregate their *solid waste* so as to allow for its disposal into the appropriate area designated by the *Senior Administrative Officer*, or as otherwise required by the *Senior Administrative Officer*.

- (12) At a *Solid Waste Site*, every person shall deposit *solid waste* in the areas designated for that type of *solid waste* by the *Senior Administrative Officer*.

**Supervision of Children**

- (13) Every person that accesses a *solid waste site* and is accompanied by a child shall provide direct supervision for that child, and anyone that fails to do so is both guilty of an offence and may be directed to leave a *solid waste site* by a *solid waste facility attendant*.

**Public Access Areas**

- (14) Public access at a *solid waste site* shall be limited to the *recycling depots, salvage area, designated areas of the building identified as the Baling Facility, and such other areas as may be designated from time to time by the Senior Administrative Officer*.

**Smoking**

- (15) No person shall smoke in the Baling Facility as it is a facility operated by the City. Smoking otherwise at a *solid waste site* is only permitted in areas designated as such by the *Senior Administrative Officer*.

**Salvage**

- (16) (a) Salvageable materials shall be separated in order to be deposited in specific designated locations within the *Solid Waste Site*.
- (b) Any person may retrieve salvageable materials, at their own risk and expense, from the designated *salvage area* at a *solid waste site* during normal hours of operation; but no person shall remove any *solid waste*, whether it is *salvageable* or not, from an area of a *solid waste site* that has not been designated by the *Senior Administrative Officer* as being accessible to the public.
- (c) The City does not provide an express or implied warranty as to the fitness of salvaged materials for a specific or any purpose.

- (d) No person shall salvage or otherwise remove or attempt to remove a complete or near complete vehicle from a *solid waste site* without first being authorized to do so in writing by the *Senior Administrative Officer*.

#### FEES

15. (1) Every owner of *residential premises* or *commercial premises*, the *Solid Waste Contractor* and any other person disposing of *solid waste* shall pay the fees and charges applicable to them as set out in Schedules "A" and "B".
- (2) The *Solid Waste Levy* fee set out in Schedule "B" covers basic collection and disposal costs.
- (3) The *Vehicle Charge for the Disposal of Residential Waste* is applicable to all residential vehicles that enter a *solid waste site* for the purpose of disposing of *solid waste*, but does not apply to those residential vehicles only containing tagged household waste or those entering a *solid waste site* for the purpose of engaging in authorized salvaging.
- (4) During any period that the weigh scale is inoperable either due to planned maintenance or repair or if otherwise specified as such by the *Senior Administrative Officer*, the Supplementary Tipping Rates established in Schedule "A" shall apply for loads that otherwise would be assessed fees on a weight basis.
- (5) Notwithstanding subsection (3), the *Senior Administrative Officer* may suspend the requirement for the payment of the *Vehicle Charge for the Disposal of Residential Waste* fee for a one (1) week period three (3) times each year.
- (6) All fees and charges payable by a person under this By-law are a debt owing to the City and may be recovered from a person in default by civil action for debt.

#### **PART 4 - GENERAL PROVISIONS**

BURNING OF HOUSEHOLD OR COMMERCIAL OR OTHER SOLID WASTE MATERIAL

16. No *person* shall burn any *waste material* in the *City* unless that *person* has a *burn permit* issued to them authorizing them to do so.

PROGRAM SOURCE OF FUNDING

17. The source of funding for all costs associated with the *City's solid waste* management system that will be incurred as a result of this By-law are the fees and charges set out in Schedules "A" & "B", in addition to transfers from the General Fund, or any other Fund as directed by Council.

LIABILITY WAIVER

18. Any *person* using a *solid waste site* shall do so at their own risk, and neither the *City* nor its *Council, officers* or employees shall be liable for any claims for damages for injury or damage to any *persons* or property arising from the operation of the *solid waste* management system.

**PART 5 - GENERAL PROHIBITIONS & ENFORCEMENT**

GENERAL PROHIBITIONS

19. (1) No *person* shall supply false or misleading information or make inaccurate or untrue statements in any document or information required to be supplied to the *Senior Administrative Officer, a solid waste facility attendant* or an *Inspector* pursuant to this By-law.
- (2) No *person* shall dispose of *solid waste* at a *solid waste site*, or access a *solid waste site* except during the posted normal hours of operation.
- (3) (a) No *person* shall use, or permit to be used, any vehicle or trailer for the conveyance or storage of *solid waste* unless such vehicle or trailer is fitted with a cover such as a tarpaulin, a mesh blanket or plywood board that is secured to the vehicle or trailer and is capable of preventing the dropping, spilling or blowing off of *solid waste* while it is being stored in, or transported by, the vehicle or trailer.

- (b) Without limiting the ability of the *City* to proceed with enforcement action against a *person* transporting solid waste that is not covered as per Section 25(4) (a) the fee to be charged for all loads of solid waste that are either uncovered or improperly covered that arrive at a *solid waste site* shall be double the fee(s) set out in Schedules "A" and "B".
- (4) No *person* other than the *owner* or a *person* with the *owner's* express or implied consent shall pick over, interfere with, disturb, remove or scatter any *household* or *commercial waste* howsoever placed for collection unless authorized to do so by the *Senior Administrative Officer* for the purposes of collection, ensuring compliance with the provisions of this By-law or conducting research on the composition of solid waste placed for collection.
- (5) No *person* shall fail to comply with the order or direction of an *Inspector*, and nothing in this By-law relieves a *person* from complying with any federal or territorial law or regulation, other by-law or any other requirements of any lawful permit, order, consent or other direction.
- (6) No unauthorized *person* shall access any area of a *solid waste site* not designated as being accessible by the general public.

SUMMARY CONVICTION OFFENCE - STRICT LIABILITY OFFENCE

- 20. (1) Any *person* that contravenes any provision of this By-law by:
  - (a) doing any act or thing that the *person* is prohibited from doing, or
  - (b) failing to do any act or thing the *person* is required to do, is guilty of an offence, and any offence created pursuant to this By-law shall be considered to be a strict liability offence.
- (2) Any *person* who is convicted of an offence pursuant to sub-section (1) is liable on summary conviction:
  - (a) in the case of a corporation, to a fine not exceeding \$10,000; or

- (b) in the case of an individual, to a fine not exceeding \$2,000, or to imprisonment for a term of not more than six (6) months in default of payment of the fine.

CONTINUING OFFENCE

- 21. In the case of an offence that is of a continuing nature, a contravention constitutes a separate offence in respect of each day, or part of a day, on which it continues and a person guilty of such an offence is liable to a fine in an amount not less than that established by this By-law for each such day.

JOINT AND SEVERAL LIABILITY OF OWNERS FOR FINES, FEES AND CHARGES

- 22. Whenever there are fines, fees or charges payable pursuant to this By-law and there is more than one owner of the property to which they apply, each shall be jointly and severally liable for their payment.

MINIMUM AND SUBSEQUENT FINES

- 23. (1) The minimum fine that may be imposed for a contravention of a particular section of this By-law shall be the specified penalty applicable for a first offence against the particular section, as set out in column one of Schedule "C".
- (2) Where a person is convicted of a second, third, or subsequent offence against a particular section of this By-law, and where those offences have occurred within any twenty-four (24) month period, the specified penalties applicable to the second, third and subsequent offences shall be those amounts set out in columns two and three, respectively, of Schedule "C".

VIOLATION TICKET

24. Where an *Officer* reasonably believes that a *person* has contravened any provision of this By-law, the *Officer* may serve upon the *person* a violation ticket, in the form provided under the Summary Conviction Procedures Act, and such *person* may, in lieu of prosecution, pay the *City* the voluntary penalty set out in Schedule "C" for the offence, prior to the court date specified on the violation ticket. This section shall not prevent any *Officer* from issuing a violation ticket requiring a court appearance of the defendant, pursuant to the provisions of the Summary Conviction Procedures Act or from laying an Information in lieu of issuing a violation ticket.

OTHER PENALTIES

25. In addition to any fine that may be levied, a court may order a *person* convicted of an offence under this By-law:

- (a) to pay any fee or charge that may otherwise be payable by the *person* to the *City* in respect of any licence or permit that should have been obtained by the *person*;
- (b) to pay any costs that the *City* is entitled to in respect of the offence; and
- (c) to do or refrain from doing any activity that the court may specify.

**PART 6 - REPEALS**

26. Garbage By-law No. 3761, 3871, 4064, 4099, 4350 and Solid Waste Levy By-law No. 4345 are hereby repealed.

**PART 7 - EFFECT**

27. Except where otherwise expressly stated in this By-law, this By-law shall come into effect upon receiving Third Reading and otherwise meeting the requirements of Section 75 of the *Cities, Towns and Villages Act*.
